# "TOT SHOTS AND "HOT SHOTS" EVENT DESCRIPTION

**Note: All entry ages will be as of August 21, 2010  
All competitors must wear hockey skates**

## HOCKEY SKATING EVENT

### Part 1.

A.) Players in the 3-to-6-year old category will start on the blue line at one end, skate forward to the goal line at the opposite end, make a two footed turn to the LEFT, and continue skating back to center ice, where the player will then make a two-footed turn to the RIGHT around a series of cones. Points will be awarded based on skating ability, maintaining two feet on the ice during the turn to both directions.

B.) Players in the 7-year-old and up category will skate forward from the goal line at one end to the red line and do two stops. Once on the left or right foot, and then again on the opposite foot. From one (1) to three (3) points will be awarded depending on the stop. For example a hockey stop will be given 3 points, snow plow 2 points and unsure stopping 1 point.

Part 2. Players will skate forward from center ice towards the goal line. At the blue line players will transition from forwards to backwards and continue to the goal line. Both age groups will perform the same maneuver.

Part 3. **(For 7-year olds and older)** At the face off circle, players will perform crossovers on the circle, beginning with right over left. Players will then perform crossovers in the opposite direction (left over right) twice around the circle. Players in the 7-year old and up will skate twice around in each direction and will be required to do a minimum of four crossovers in each direction. Points will be awarded for technique, posture and power.

## STICKHANDLING EVENT

The player will skate with the stick and puck in and out of a course of six cones which will be placed four feet (4-ft) apart for the 3-6 year old category and 5-foot intervals for the 7-year old and up category.

At the end of the course, the player will stop and repeat the course once more. Deductions will be made for cones knocked over during the course. Players are required to use both the forehand and backhand through the course.

## SHOOTING EVENT

This event will be divided by age. Each competitor-player will receive five (5) pucks at each of two distances from the goal.

For players *from 3 to 6 years of age*, the distance from the goal will be: 10-feet & 20-feet

For players *7 years and older* the distance from the goal will be: 20-feet & 40-feet

In the event of a tie, players will have a shoot-off, distance to be determined by the event referee.
